

MONACO[®]

DRIVING YOUR DREAM.

2006 MONARCH SE[®]

THIS IS THE PERFECT WAY TO JOIN OUR FAMILY.

If owning a Monaco has been in your dreams, the Monarch SE has everything you need to make it a reality. Legendary quality. The peace of mind of the industry's best owner support. And most importantly — remarkable affordability. As you thumb through these pages and take in the distinctive styling and impressive creature comforts, also take a closer look at all the standard features and added details that make this the very best value on the road.

Just like our top-of-the-line coaches, the Monarch SE features a full 7 feet of interior ceiling height.

Looking past the beauty of the cabinetry, you'll also see the impeccable craftsmanship. The drawer boxes are made of wood and roll smoothly, thanks to heavy-duty ball bearing guides. The raised panel overhead cabinet doors are top-hinged and self-supporting, freeing your hands. Other finishing touches include crown molding and wood slide-out fascia with attractive fabric inserts.

- 1 You'll find plenty of well-organized storage space in the kitchen, including a **pantry with adjustable shelves, trash can storage** and a **silverware drawer with dividers**. The appliances are also designed to make life easier and include a **large double-door refrigerator** (a refrigerator with ice maker is optional), a **high-output three-burner cooktop** and a **versatile convection microwave oven**. (37PBD, New Vintage Oak, Hidden Valley)
- 2 Along with its exquisite comfort and styling, the **bedroom** features the added spaciousness of **30-inch bed slide-outs** (not available on the 34SBD). (37PBD, New Vintage Oak, Hidden Valley)

YOUR NEXT ADVENTURE IS AS EASY AS TURNING THE KEY.

Nothing compares to the hassle-free experience of setting off in a full-size motorhome. The possibilities are endless, and the Monarch SE is designed to give you the safest, most comfortable journeys imaginable.

The automotive dash features an attractive instrumentation panel with easy-to-read gauges and well-designed controls. You'll enjoy traveling with power steering and cruise control, and the coach is prepped for an optional rear vision system with audio. An optional driver's side door with a power window is a wonderful convenience.

The co-pilot will enjoy a handy dash workstation, which provides a desktop for using a laptop computer.

- 1 The **cockpit seats** double as **cozy recliners** while you're parked and feature plush fabric coverings or optional soft touch vinyl. In the cabinets overhead you'll find the **24" flatscreen TV** and the hook-ups for both cable TV and a digital satellite system.

(37PBD, New Vintage Oak, Hidden Valley)

- 2 Our exclusive **side-hinged baggage door** design offers unbeatable visibility into the storage compartments and makes it easier than ever to reach your luggage and other belongings. The large **storage bays** are perfect for oversized items, and the rotocast boxes are easy to wash down. *(37PBD, New Vintage Oak, Hidden Valley)*

- 3 Monaco leads the way in making your hook-up functions as easy as possible. Our **wet bay** features a **hot and cold water shower**, as well as a **built-in soap dispenser**. An optional **RV Sani-Con tank flush system** has a hanging bracket for the hose and helps you keep the area tidy and organized. *(37PBD, New Vintage Oak, Hidden Valley)*

 PANAVIEW™

1 - PIECE WINDSHIELD

No more black rubber seam! Our exclusive Panaview™ 1-piece windshield gives you the largest, and safest, unobstructed view of the road ahead. The wipers are discreetly mounted below your sight line, and the side pillars are more slender, for a wraparound effect.

A SmartStructure II adapts the principles of our diesel chassis technology for use with a gas chassis. While other motorhomes use outriggers to hang the walls and storage compartments, our exclusive truss system is integrated with the chassis rails to provide a solid platform. The floor and storage bays are all one piece, and the truss system works with the chassis rails to channel weight toward the center of the motorhome. Greater strength. Better weight distribution. A solid foundation. That's SmartStructure II.

Shown here is the Workhorse chassis' Vortec 8100, 8.1L V8 engine. It features 340 HP and 455 lbs./ft. torque. The Ford chassis comes standard with a 6.8L 3-valve V-10 engine with 362 HP and 457 lbs./ft torque.

SMARTSTRUCTURE II

ROOF CONSTRUCTION: *(top to bottom)*

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

SIDEWALL CONSTRUCTION: *(left to right)*

- Smooth fiberglass wall
- Optional high-gloss gel coat fiberglass
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation bonded in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam adds comfort, saves energy and provides a thermal insulative barrier
- Interior paneling

**THE MONACO DIFFERENCE:
GREATER STRENGTH. LIGHTER WEIGHT.
UNBEATABLE INSULATION.**

The Monarch SE features Monaco Coach's exclusive Alumaframe[®] Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe[®] to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

SLIDE-OUT CONSTRUCTION:

When you get a Monaco Coach, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

Wood

Aluminum
(Butt-Welded)

Alumaframe[®]
(C-Channel)

FLOOR CONSTRUCTION: *(bottom to top)*

- Three-ply poly underbelly
- 1-1/2" aluminum tube
- Blue foam insulation
- Structurwood[™]

You'll enjoy a full package of high-quality awnings, including an optional Eclipse automatic patio awning.

The 2006 Monarch SE is available in a remarkable selection of innovative floorplans ranging from 33' to 37', with double and triple slide-outs. No matter which one you choose, you'll enjoy more livable interior space and more easy-to-reach storage than any other manufacturer has to offer.

You can find the 30PDD floorplan on page 16.

Better Stain Protection

Manufactured in, not added on. For added protection against stains, soil repellent is applied to virtually all upholstery fabric during the finishing process for superior coverage.*

*Brand and application of upholstery fabric protection may vary depending on date recreational vehicle was manufactured.

- Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.
- All tank capacities are estimated based upon calculations provided by the tank manufacturers and represent approximate capacities. The actual "usable capacity" may be greater or less than the estimated capacities based upon fabrication and installation of the tanks.
- Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated. Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Monaco Coach models. Monaco Coach, the Monaco logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders. While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order. Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

A LITTLE SHORTER, AND JUST AS SWEET.

Meet our popular shorter model — the 30PDD. Like the rest of the Monarch SE floorplans, it features our exclusive Panaview™ 1-piece windshield, our side-hinged baggage doors and a new one-piece peaked insulated fiberglass roof. You'll make no sacrifices when it comes to spacious living area, thanks to a new ceiling height of 7 feet and the new 30-inch bedroom slide-out.

THERE'S STRENGTH IN OUR NUMBERS.

As you consider your RV purchase, there's one thing we'd like you to keep in mind: Nobody does customer service like Monaco. Period. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you'll be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. In

short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337 to arrange a tour of one of our state-of-the-art production facilities in Oregon or Indiana.

WARRANTIES

12 month/24,000 mile
