WINDSOR

CELEBRATING THE ART OF LIVING WELL.

WORKS FOR HER.

Retrieving items from underneath the coach is a snap with this optional storage slide-out tray — no crouching down or back strain.

Just open the door, slide out the tray, grab the clubs and it's off to the golf course.

WORKS FOR HIM.

HOW DO WE
MEASURE SUCCESS?
WITH 40 FEET
OF PURE REFINEMENT.

It's true. Slip behind the wheel of a new Windsor by Monaco, and you'll know you've arrived. With the sleek styling of a bird's-eye burl instrument panel before you, and the power of a Cummins® ISC 350 HP engine behind you. Other new features this year include the sophisticated Automatic Traction Control system for added safety in all road conditions, as well as an optional Cummins® ISL 370 HP engine, GPS with color monitor and an optional dual air/hydraulic leveling system. Inside the coach you'll be equally pampered, with hardwood cabinetry, ceramic tile floors, solid surface countertops and six beautiful decors, including Country Classic and Grand Champion, featuring Ralph Lauren fabrics. The 2003 Windsor. You've dreamed it — now you can live it.

Astor / 38PST / Stained Oak

Feast your eyes on the Windsor's luxurious living area, with your choice of richly patterned fabric or optional leather-faced furnishings. Underfoot, you'll enjoy cozy designer carpeting in the living and bedroom areas, and ceramic tile or optional Wilsonart® flooring in the kitchen and bathroom. And at mealtimes, you'll marvel at the convenience of the legless solid surface dinette table with two stylish chairs and two folding chairs.

A MILLION WAYS TO
MAKE THINGS EASY.

The bedroom is spacious and practical, with plenty of overhead storage compartments, an oversized wardrobe, and a large dresser with solid surface top. In addition, many Windsor floorplans feature the luxury of a second vanity with medicine cabinet, located right in the bedroom.

Astor / 38PST / Stained Oak

The Trip Tek® message center is a state-of-the-art computerized tool designed to assist you with trip management and engine monitoring. To conserve dash space, the Trip Tek® system utilizes the rear vision monitor to display its information.

The Windsor's kitchen is as beautiful as it is functional, featuring your choice of six different cabinet finishes, all with solid wood raised panel doors. The stylish solid surface countertop is easy to care for and has two sink covers and a flush mount range cover. And you'll even find such conveniences as a waste basket under the sink and a four-compartment drawer organizer for kitchen utensils. The appliances are also top-notch, including a double-door refrigerator with ice maker (a four-door model is optional), a recessed high-output two-burner cooktop, and a spacesaver convection microwave with touch control.

2003 EXTERIOR COLORS,
FABRICS AND WOODS

For 2003, our designers have selected exquisite fabric combinations for each model of the Windsor. And adding to the luxury, Monaco is pleased to offer the textures and colors of Ralph Lauren fabrics. Now, it's *your* turn to choose.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Monaco Coach provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Monaco Coach dealer for unit availability and further information. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed load exceeds 1,000 lbs. The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans.
