

Go ahead. Check out our competitors. Intruder<sup>™</sup> is the better value. We're sure of it. Other motorhomes in its class cost thousands of dollars more. But Intruder matches, and surpasses, their luxury. And beauty. We dare you to find a single competitor that has all these extraordinary Intruder features:

### motorhome with features like this at Intruder's price ...

Intruder's full **gelcoated fiberglass caps and sidewalls** give the coach impressive curb appeal. We even go one step further and offer an optional **seamless fiberglass roof**, which virtually eliminates maintenance costs.

Our gorgeous new full-body paint packages make Intruder stand out, even when comparing it to motorhomes that cost \$50,000 more.

The huge windshield and cockpit windows not only provide a safe view of the road, but also give Intruder a stylish, contemporary look.

Heated, front-mounted rear-view mirrors eliminate blind spots, allowing you to see behind the coach without looking out a side window.

Intruder's **flush-floor slideouts** operate on a smooth rack-and-pinion mechanism. The flush floor means you no longer have to worry about tripping your way through the living area. Plus, vacuuming is much simpler.

The kitchen features **solid-surface countertops**, **sink covers and range covers**, which help to eliminate bacteria and are incredibly easy to keep clean. What's more, the acrylic sink will remain scratch-free for as long as you have your motorhome.

You may be in the middle of nowhere, but that doesn't mean you have to be uncomfortable. The huge **27-inch television** in Intruder's cockpit overhead ensures that you will feel right at home, wherever you are.

Our **cabinet door construction** is second to none. Mortise and tendon joints, an oven-baked performance catalyst finish and solid wood are just some of the features that make our cabinets the most reliable in the industry.

27-inch television

The standard Pioneer® AM/FM/cassette player in the cockpit dash is sure to make those long drives more enjoyable. Option the Pioneer XM-satellite radio tuner, and you not only expand your choice of stations, but you also get coast-to-coast programming — with no need to switch stations as you travel.

You also have the option of a Surroundsound\* **home theater system**, complete with a DVD/CD player, satellite speakers, a Pioneer receiver and a subwoofer.

It's easy to keep your cooking supplies organized with Intruder's **pantry**. It has adjustable shelves and roll-out drawers, so it's simple to reach items, even when they're stored in the very back.

If you're one of the 90% of motorhomers who tow a vehicle, you'll be happy to know that Intruder comes standard with a **5,000-lb. hitch**. Better yet, it has a 500-lb. hitch weight, so you can tow a car, a pickup, even an SUV. Intruder is built to handle it.

# en compare the price. Damon wins every time. Period.

To make sure you don't have to leave anything behind, Intruder is equipped with multiple pass-through storage compartments.

For a Damon Dare checklist for easy comparison shopping, visit our web site at www.DamonRV.com. We're confident that these features put Intruder in a class of its own. So go ahead, shop around. Once you see everything that goes into an Intruder, we're confident you wouldn't dare settle for anything less.

### The Roof

Intruder's roof is also vacuum-bond laminated for superior strength and rigidity. It features an aluminum rafter support system with bowed rafters to maintain the roof's crowned shape. A crowned roof permits better water runoff, which helps prevents leaks. It also increases the insulation factor, especially around air-conditioner channels. The optional one-piece fiberglass roof is seamless, eliminating the possibility of leaks and maintenance expenses.

### Dare to go anywhere: Intruder's built to take it.

What makes the difference? Advanced engineering. Computer-aided design. Innovative manufacturing techniques. And paying attention to feedback from RVers just like you.

At Damon, we also maintain consistent standards. Many other manufacturers cut corners. Not us. Every motorhome we make, whatever the price, gets built the same way — the right way — with the same high-quality materials, components and construction techniques.

The Chassis

Quality construction starts with the chassis. And Intruder uses only the finest: either a Ford® or Workhorse® chassis, depending on the floor plan.

# Daring choices ... to fit your life.

#### **Décor**

Damon's interior designers and engineers have created a choice of exciting environments that not only help you feel right at home, but also lend a sense of personality to your Intruder.

### **Floor Plans**

Whichever Intruder floor plan you choose, you can be sure it's thoughtfully laid out to provide the roomiest, most comfortable, most convenient mobile living experience you've ever had.

### **Paint**

Gorgeous automotive full-body exterior paint in a choice of three colors gives Intruder a distinctly upscale look. It's a new option for 2003 that's already turning heads and attracting a lot of buzz.
