

2005 | ENDEAVOR®

This is Living®

HOLIDAY RAMBLER®

This is Living[®]

Fifty-one years. It's a proud reminder of our many accomplishments. After all, we were there from the start of an industry, and innovation by innovation we've led the way toward creating a rich and wonderful RV lifestyle.

Maybe it's not until you own a Holiday Rambler that you can truly feel the strength of our heritage. You'll feel it in the peace of mind you'll have knowing your family's in the safest RV on the road. You'll feel it in the quality of your experiences, thanks to the hundreds of conveniences we've developed. And you'll feel it when you realize you're free to roam throughout North America with confidence, knowing our network of support is with you every mile of the way.

So join us as we look forward to a new model year. For 2005, we're celebrating an exciting new lineup, full of more groundbreaking products and high-tech advances than ever.

2005 ENDEAVOR

GETTING BETTER WITH EVERY YEAR.

How do you improve one of the most popular diesel coaches on the road? By fine-tuning the smallest details. By giving you more ways to customize your coach than ever before. And most importantly, by adding value — with numerous upgrades in styling and convenience. So come aboard. This winner still has the power to surprise you.

Holiday Rambler®

WINTER PALACE DECOR WITH VINTAGE OAK WOOD

40PDQ

PRAIRIE DECOR WITH MAPLE WOOD

40PDQ

EVERY DETAIL SAYS WELCOME HOME.

As you take a closer look at the Endeavor, you'll see many of the special touches that set it apart. Like its residential-style decor — with the craftsmanship of raised panel cabinet doors, crown molding, hardwood slide-out fascia and designer carpeting. You'll also love the convenience of the remarkable legless dinette table with solid surface top, two beautiful chairs and two handy folding chairs.

In the kitchen, you're greeted by the sleek, contemporary look of the solid surface countertop, and the workspace is highly organized, with a roll-out pantry, built-in sink covers and wastebasket storage. The high-quality appliances include a large double-door refrigerator and a versatile convection microwave.

The roomy bedroom features a large queen bed with hardwood headboard and fabric inserts. A dresser, nightstands and an oversized wardrobe closet provide plenty of storage space. And you'll love the new 20" flatscreen CRT stereo TV. To the left is the optional hide-a-bed with air mattress, giving you more sleeping room for family and guests.

The 2005 Endeavor boasts new deluxe full-body paint, for a showroom finish that will last for years to come.

{ LET THE ADVENTURES BEGIN. }

Looking toward the front of the coach, you can see the Endeavor's spacious cockpit. The pilot and co-pilot six-way power seats feature plush Ultraleather™ coverings and optional power footrests. Overhead, you'll find the new 24" flatscreen CRT stereo TV, wired through the ceiling speakers for superior sound quality. A home theater system makes an exciting option, and the optional VCR and DVD player are neatly tucked in overhead cabinets and conveniently wired to both TV locations.

The stylish bathroom features a solid surface vanity countertop with integrated sink and decorative mirror backsplash. The easy-to-clean one-piece fiberglass shower has a beautiful decorative glass door, and the 40DST model comes standard with a bathtub.

On the right, you can see some of the coach's exterior highlights, including the new side-hinged baggage doors, designed to give you easier access to your items stowed below. Other conveniences include the power heated mirrors mounted on the front cap, power sunvisors and the front cap generator access with slide-out tray.

The coach comes standard with a full complement of high-quality awnings, and you have the option of an Eclipse automatic patio awning.

PRAIRIE DECOR WITH MAPLE WOOD

40PDQ

ALUMAFRAME® CONSTRUCTION SINCE 1966:

The Endeavor features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Alumaframe®

TRUSS SYSTEM WITH RUST INHIBITOR:

This steel truss system is engineered as part of the chassis and provides outstanding strength and rigidity plus pass-through storage. In addition, the structure is pre-primed and coated with a rust inhibiting paint.

ROADMASTER RR8R-SERIES CHASSIS

ROOF CONSTRUCTION: (top to bottom)

- Peaked aluminum roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

SIDEWALL CONSTRUCTION: (left to right)

- Gel coat fiberglass
- Interlocking C-Channel filled with 1-1/2" fiberglass insulation glued in place so it doesn't sag or leave spaces uninsulated
- Vapor barrier
- Bead foam saves energy and provides a thermal insulative barrier
- Interior paneling

**ENGINE MOUNTING:**

The three-point engine mounting system lowers the coach's center of gravity and reduces the amount of vibration that reaches the coach. The mounting also makes the engine easier to service.

CUMMINS® ISL 400 DIESEL ENGINE:
The Endeavor features a gutsy standard Cummins® ISL 400 diesel engine with Allison® 3000 MH 6-speed world transmission and electronic shifter.

**Roadmaster
Chassis**

The Roadmaster Raised Rail RR8R-Series chassis was designed specifically for Holiday Rambler's luxury coaches like the Endeavor, and it leads its class in sophisticated features that combine to provide a smooth ride and superior front-to-rear balance.

- Eight air bags work in conjunction with eight gas-powered shock absorbers to prevent road trauma from ever reaching the coach.
- Monitored leveling sensors continually adjust the air pressure at each axle to maintain a level ride and eliminate nosediving, weight transfer, and floating on curved roads. This system also stabilizes the coach on uneven surfaces.
- A 10,000 lb. tow hitch rating is the highest in its class.
- The exclusive raised rail design provides for larger full pass-through storage bays with flush floors.
- Other features include a 3/8" thick frame rail — compared to the 1/4" of other manufacturers — and a stacked aluminum intercooler and radiator for optimum heat transfer and cooling.

**SLIDE-OUT CONSTRUCTION:**

When you get a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

FLOOR CONSTRUCTION:
(top to bottom)

- Structurwood™
- 1-1/2" steel tube
- Blue foam
- Luaun
- Darco

CELEBRATING THE FREEDOM OF CHOICE.

At Holiday Rambler, we're dedicated to giving you more ways to create the coach of your dreams. That's why the Endeavor features a wide selection of exciting double, triple and quad slide-out floorplans, with numerous furniture options to fit your lifestyle. In addition, our designers have created exquisite color and fabric combinations to give you the most beautiful interiors you'll find anywhere. Add to that the woodwork of your choice, and you'll have a luxurious coach you can truly call home.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your Owner's Manual for further towing information.

** Variances in the fabrication and installation of the tanks may cause the actual "usable capacity" to be greater or less than the capacities designated above.

*** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by the Monaco Coach Corporation companies. To learn more on what specific component parts and appliances are excluded from the Limited Warranties issued by the Monaco Coach Corporation companies please contact your selling dealership or Monaco Coach Corporation directly or review the warranty packet inside the recreational vehicle.

{ IT'S ALL ABOUT BUILDING A LASTING RELATIONSHIP. }

WELCOME TO THE FAMILY ADVANTAGE.

What is the Family Advantage? It's all the ways we put the strength of our family to work for yours. It's the unmatched level of teamwork, expertise and combined experience of all our companies. It's our industry-leading Roadmaster chassis and our remarkable White Glove factory inspection program.

It's our ability to respond rapidly to our owner's needs, with new features and technologies. And it's our commitment to value and to giving you more RV for your money.

The most important aspect of the Family Advantage is being there when you need us. Our staff is available 24/7/365 to help you with virtually any situation that may arise — with troubleshooting, operational instruction or facilitating repairs at the nearest of our 350 nationwide service centers. In addition, you will be enrolled in our Owner Advantage Roadside Assistance Program free of charge for your first year of ownership — providing additional emergency assistance, including towing, tire repairs and many more services around the clock. No matter where you are, someone is standing by to talk with you 24 hours a day — to help you get the most from your time on the road.

In short, when you purchase an RV from Monaco Coach Corporation, you get a wider array of benefits than any other manufacturer can offer. To see it all for yourself, call 1-800-634-0855 or 1-800-650-7337. We'd love to meet you Monday through Friday for a tour of one of our state-of-the-art production facilities in Oregon or Indiana.

350 | SERVICE FACILITIES
NATIONWIDE AND GROWING.

OWNER ADVANTAGE ROADSIDE ASSISTANCE PROGRAM

At no charge to you in your first year of ownership, we offer an extensive support program that provides complete roadside assistance and special motor club benefits that follow you wherever your travels take you. This coverage also includes one additional family vehicle at no extra charge! Highlights include towing, tire repairs, fuel delivery, lock-out service, service appointment assistance, trip interruption coverage and much more.

WARRANTIES

12 MONTH/24,000 MILE
basic limited warranty

5 YEAR/50,000 MILE
limited warranty on aluminum or steel frame structure
of sidewall, roof, front and rear cap

3 YEAR/36,000 MILE
limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.
