HOLIDAY RAMBLER®

This is Living®

THINKING DIESEL? WE'VE GOT THE ANSWER.

You're looking at the very best diesel value on the road — the 2006 Neptune. Not only does it give you the incomparable performance of the Roadmaster chassis, it's loaded with Holiday Rambler's legendary quality and styling. Plus, you get all the benefits of our unbeatable owner support — with technical assistance that's just a phone call away, 24/7/365. Welcome to the prestige of the diesel coach lifestyle. Thanks to the Neptune, it's well within reach.

TAKING VALUE TO NEW HEIGHTS.

At Holiday Rambler, we're continually seeking new ways to enhance the spaciousness of our interiors. This year, the Neptune features an increase in ceiling height to a full 7 feet. Now that's headroom! As you take a closer look, you'll also notice the many residential-style touches that make this coach a home. It all starts with the gorgeous woodwork, with hardwood raised panel cabinet doors, crown molding and decorative slide-out fascia. You'll also love the plush furnishings — with numerous options for customizing your floorplan to best fit your lifestyle.

A) Stylish comfort awaits you in the bedroom, with plenty of roomy storage to keep everything neatly stowed away. The queen bed features a wood-framed headboard with a padded fabric insert and is flanked by nightstands. You'll find built-in cabinet space for the optional 20" flatscreen TV, and the living room prep for a DVD player is also wired to this location.

THE HIGHLIGHTS OF THE HIGH LIFE.

The hub of your daily activities is the kitchen, where you'll find beautiful styling, exceptional storage space and top-notch appliances. The contemporary solid surface countertop offers plenty of seamless workspace and the stainless steel sink features a single-lever faucet with a pullout sprayer and a separate faucet for filtered water. Every nook and cranny is put to good use with many built-in storage spaces, including a roomy pantry. You'll love the convenience of the large double-door refrigerator with ice maker, as well as the versatile combination convection/microwave oven.

A) The brass shower frame and bathroom faucet complement the brass-finished hardware on the cabinets throughout the coach. The solid surface countertop and integrated sink make cleanups easy, and you'll find plenty of storage space in the medicine cabinet and vanity.

B) While a booth dinette comes standard, you may select this optional freestanding dinette with two stylish chairs, two folding chairs and a convenient wall cabinet.

THIS IS WHERE COMFORT AND SAFETY COME TOGETHER.

In a Holiday Rambler, the comfortable cockpit is also the safest you'll find anywhere. It all starts with the steel cage cockpit construction and steel firewall, for superior protection. And the six-way power pilot seat offers multiple adjustments to help you find the most comfortable posture and to reduce driver fatigue. Above the cockpit you'll find the cabinets for the entertainment center. A 24" flatscreen TV is paired with numerous options, including a home theater system with surround sound speakers and a digital satellite system.

PANAVIEW™

1-PIECE WINDSHIELD

The Neptune's contemporary styling is accented by some remarkable features that make it also one of the safest coaches on the road. Our exclusive Panaview™ 1-piece windshield provides the largest unobstructed view in the industry. Slender side pillars increase your peripheral vision and the wipers are conveniently mounted below your field of view. The 17.5" power heated mirrors are also mounted on the front cap—so you don't have to turn your head away from the road to see.

Ebony Vine II | 34SBD ▲

A) The impressive dash features an eagle burlwood instrumentation panel and large, easy-to-read gauges. To the right of the steering wheel is the monitor for the rear vision system with audio and an adjustable camera. You also have the option of a 3-camera rear vision system, expanding your view of the sides and to the rear of the coach.

B) The Roadmaster chassis provides for large pass-through storage spaces which easily accommodate larger items such as sports equipment or patio furniture. Our side-hinged baggage doors are easier to open, giving you a better view and making it a snap to load and unload.

WE'VE GOT YOUR BACK.

- Live customer support 24/7/365
- 350 Nationwide Service Centers
- Free first-year enrollment in our Owner Advantage Roadside Assistance Program
- Call 1-800-634-0855 or 1-800-650-7337 to arrange a tour of one of our state-of-the-art production facilities in Indiana or Oregon.

WHERE ALL THE DETAILS COME TOGETHER.

Holiday Rambler has long set the standard with warm, inviting interiors that feature a perfect harmony of fabrics, accents and carpeting. We've also led the way with stunning woodwork and superb craftsmanship, including hardwood raised panel cabinet doors, self-supporting top-hinged overhead doors and heavy-duty ball bearing guides. Select the combination that suits you best to customize your Neptune and make it distinctively your own.

ROADMASTER RAIL R4R CHASSIS

You can count on the Roadmaster Rail R4R chassis to give the 2006 Neptune the very best performance in its class. That's because the chassis is designed exclusively to the standards of a luxury motorcoach and is custom-built to the exact specifications of each floorplan. We invite you to take a few minutes and discover all the ways Roadmaster offers you the very best in safety, reliability, comfort and convenience.

The Neptune features Holiday Rambler's exclusive Alumaframe® Superstructure. Our revolutionary system of aluminum C-Channel crossmembers runs the entire length of the unit, with double-welded intersections for added strength. This rigid design is both lighter and sturdier than wood or tubular aluminum frames — and much more reliable than butt-welded or screwed joint designs. From dirt roads to potholes, you can count on Alumaframe® to handle the relentless stresses of the road and provide superior structural integrity for many years to come.

Alumaframe®

Wood

Aluminum (Butt-Welded)

Alumaframe® (C-Channel)

A steel cage cockpit gives the Roadmaster chassis incomparable strength and safety in the front of the coach.

Every Roadmaster chassis features a steel firewall for added protection in the cockpit.

The intercooler is stacked on top of the radiator, with an aluminum core, instead of steel components sandwiched together, for the best cooling package in the industry.

Cushion Air Glide Gold Suspension System with four air bags and four gas pressured shock absorbers for superb ride and handling.

CHASSIS AND CONSTRUCTION

SLIDE-OUT CONSTRUCTION:

When you get a Holiday Rambler, you can be sure the slide-out boxes are some of the strongest and most reliable you'll find anywhere. They feature our exclusive multi-layer construction to give you maximum insulation and to reduce the chance of warping, twisting or shifting.

TRUSS SYSTEM WITH RUST INHIBITOR:

This steel truss system is engineered as part of the chassis and provides outstanding strength and rigidity, as well as the convenience of pass-through storage. To prevent corrosion, the structure is pre-primed and coated with rust-inhibiting paint.

Heavy-duty steel undercarriage and firewall for unsurpassed safety, strength and durability.

An active suspension control system that automatically levels the coach for superior front-to-rear balance and reduced side-body sway.

Master the highways and byways with Neptune's rugged Cummins® ISB 300 HP engine with 600 ft./lbs. of torque and an Allison® 2500 MH 5-speed World Transmission. The new electronic shift pad offers added convenience.

9-LAYER ROOF: (top to bottom)

- One-piece peaked fiberglass roof
- Luaun backing
- Thick, tapered bead foam insulation
- Aluminum double I-beam superstructure filled with fiberglass insulation
- Vapor barrier
- Structure foam: thermal insulative barrier
- 1/2" bead foam insulation
- Foam padding for extra insulation
- Padded vinyl ceiling

AT HOLIDAYRAMBLER.COM, WE'RE ALWAYS OPEN.

Visit our website anytime day or night to check out the latest product news and updates. You can also take a factory tour, find a dealer near you, get information on club events and much more. It's also an easy way to contact us via e-mail.

* Towing capacity is limited by GCWR; your vehicle's towing capacity is the difference between the GCWR and the actual vehicle weight, including all water, fuel, passengers and cargo. Your towed vehicle should be equipped with auxiliary brakes if the weight of the towed vehicle exceeds 1,000 lbs. Consult your owner's manual for further towing information.
 ** Variances in the fabrication and installation of the tanks may cause the actual "usable capacity" to be greater or less than the capacities designated above.
 *** Actual filled LP capacity is 80% of listing due to safety shut-off required on tank.

Due to the large variety of options and floorplan arrangements available to our customers, actual weights for each unit can differ significantly. Holiday Rambler provides a weight sticker on each unit we produce which includes that unit's tank capacities and approximate weight. Consult your local Holiday Rambler dealer for unit availability and further information.

The information printed in this brochure reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this brochure is subject to change after the date of printing. Some features shown or mentioned in this brochure are optional and may only be available in selected floorplans. Photographs may show props or decorations that are not standard equipment on Holiday Rambler models. Holiday Rambler, the HR logo and its design, are registered trademarks. All other products and company names are trademarks and/or registered trademarks of their respective holders.

While the color of the motorhome's exterior and the interior fabrics depicted in this sales brochure are fair and reasonable depictions, the colors depicted may not be an exact match of the actual colors because of the variances in photo-processing and variances caused by inserting the photographs within the sales brochure. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within this brochure may not be accurate at the time of your purchase. If certain information is significant to your purchasing decision, please confirm the information with your dealer prior to submitting your order.

The actual overall length of the recreational vehicle may differ from that indicated in the brochure due to variances in the manufacturing process and/or installed components. The actual length may be greater or less than that indicated.

Component part and appliance manufacturers issue limited warranties covering those portions of the recreational vehicle not covered by the Limited Warranties issued by Monaco Coach Corporation. To learn which specific component parts and appliances are excluded from the Limited Warranties issued by Monaco Coach Corporation, please contact your selling dealership or Monaco Coach Corporation directly, or review the warranty packet inside the recreational vehicle.

CARPET TILE

20 NEPTUNE® 06

Thank you for taking a closer look at the 2006 Neptune. In addition to its state-of-the-art technologies and creature comforts, this value-packed diesel coach includes countless conveniences and safety innovations you'll want to experience firsthand. Poke around. Kick the tires. Open and shut every door and drawer — twice. And most importantly, take a drive. You can count on our expert sales team to answer all your questions and demonstrate why this truly is the best experience the road has to offer.

WARRANTIES

12 MONTH/24,000 MILE basic limited warranty

5 YEAR/50,000 MILE limited warranty on aluminum or steel frame structure of sidewall, roof, front and rear cap

3 YEAR/36,000 MILE limited warranty on Roadmaster chassis

Applies to certain models. See owner's manual for complete details.

ALL EYES ON THE ROAD AHEAD.

If you're considering a Holiday Rambler, chances are you share our pioneer spirit. For us, it goes back to 1953, the year we introduced our first travel trailer. Since then, our countless innovations have helped create a rich, rewarding lifestyle — and a new way for families like yours to go exploring.

Yes, we're proud of our heritage — but we're not looking back. In these pages, you'll discover that we continue to lead the entire industry. With exciting new features, powerful chassis, remarkable floorplans and, as always, more ways of keeping you and your loved ones safe.

Whether you're looking for the value of a towable, the convenience and economy of a gas motorhome or the top-of-the-line luxury of a diesel coach — Holiday Rambler has an unbeatable model for your budget. Because in 2006, one thing's for sure. We're still paving the way.
